Bandera ISD

July 22, 2020 · 

We are very excited to release our plan for reopening our schools. We have missed our students! Please visit our Back to School page at www.banderaisd.net for the full plan.

The Instructional Commitment Form for selecting on-campus or remote instruction will be available Friday morning. Making your selection by 3:00 on August 3 will allow BISD ample time to make staffing adjustments to accommodate both instructional settings. Beginning Tuesday, July 28, parents of returning students will be able to visit parent portal to verify enrollment for 2020-21 and to update student information. This will take the place of the traditional "First Day Packet," and will need to be completed before the first day of school, August 17, 2020.

Thank you for your patience and understanding as we took the time necessary to release a plan that addresses as many of the questions and concerns that our staff, parents, and community have voiced in the preceding weeks. We may not have all the answers today, but we

BANDERA ISD
ROAD TO REOPENING 2021

BANDERA ISD SCHOOLS WILL REOPEN ON AUGUST 17, 2020. FAMILIES WILL HAVE TWO OPTIONS FOR LEARNING: ON-CAMPUS AND REMOTE INSTRUCTION. SCHOOLS WILL BE IN PLACE TO QUICKLY PIVOT FROM ON-CAMPUS TO REMOTE INSTRUCTION IF A STUDENT NEEDS TO REMAIN AT HOME DUE TO QUARANTINE, ILLNESS OR IF THE SCHOOL IS TEMPORARILY CLOSED.

Campus Instruction

Additional on-campus instruction with access to 1:1 Chromebooks/tablets and health screenings for students/staff.

Enhanced cleaning & sanitation procedures.

No outside visitors.

Meals required when transitioning between classes, when working in small groups, and when social distancing is not possible.

It will be necessary to close school buildings to the public again for any reason, all students would immediately pivot to remote instruction.

NORMAL THINGS IN NEW WAYS.

Remote Instruction

- BISD Chromebook (grades 1-12) or Chrome tablet (Pre-K/Kinder) provided
- Access to internet through home or public wifi required**
- Daily attendance required through interaction in Google Classroom
- Quality curriculum with high expectations
- Independent work required
- Online/phone interaction with teacher required
- Option to transition to on-campus instruction at the end of a six week grading period

CONNECT. COMMUNICATE. COLLABORATE.

Remote Instruction
Virtual Instruction With Daily Documentation of Growth and Learning

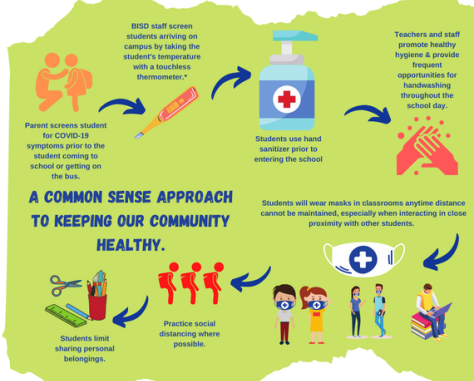

OUR QUALITY, STANDARDS-BASED CURRICULUM WITH OPPORTUNITIES TO CONNECT, COMMUNICATE, AND COLLABORATE VIRTUALLY

Transitions from remote instruction to on-campus instruction will occur only at the end of a six week grading period. Parents/guardians can request moving from remote to on-campus instruction by emailing the campus principal by the published deadline.

*If a student does not have regular access to the internet, assignments will need to be uploaded/downloaded on a parent's schedule, and students and teachers will communicate daily by telephone.

On-Campus Instruction
Traditional Instruction with Enhanced Health & Safety Procedures

A COMMON SENSE APPROACH TO KEEPING OUR COMMUNITY HEALTHY.

*If a student has a temperature of 100.0 or above, isolates will immediately see the nurse, and parents will be contacted to take the student home.

So disappointed on "the plan" it doesn't state if kids can still bring lunch.. or how classroom will be set up.. will kids still be allowed to have PE and ect. It doesn't state if they will have anything on met the teacher. This is what I'm talking about!!!
